Dear Mr. Gallagher:

I wish to express my sincere appreciation for your numerous contributions over the past four years to the Career Trainee Development Course, the Agency's orientation course for junior professionals. Your presentation on Consumer Views of Economics Intelligence not only outlined the value placed on CIA's economic reporting by the Department of Commerce but also clearly emphasized the importance for our Trainees of at least a basic knowledge of the field of international economics. Once again, I am grateful to you for your support.

Sincerely,

Director
of
Training and Education
